

PROCUREMENT AND VENDOR ONBOARDING POLICY

=====

SECTION 1: COMPETITIVE BIDDING

Any purchase over \$10,000 requires at least three competing quotes before a purchase order is issued. Sole-source purchases require VP Finance sign-off.

SECTION 2: SOFTWARE LICENSE APPROVAL

New SaaS subscriptions over \$2,000 annually must be reviewed by IT Security before purchase. Auto-renewing contracts must be flagged 60 days before renewal.

SECTION 3: VENDOR PAYMENT TERMS

Standard payment terms are Net 30. Net 15 or shorter requires Finance Director approval and is reserved for vendors offering an early-payment discount of at least 2%.

SECTION 4: EMERGENCY SPENDING FREEZE

When an emergency cost-control trigger is active, all new purchase orders over \$1,000 are held for CFO review, and non-essential software renewals are deferred until the freeze is lifted.
