=====

SECTION 1: BOOKING CLASS

Employees below Director level must book Economy class for flights under 6 hours. Business Class requires VP approval regardless of flight duration.

SECTION 2: DAILY MEAL ALLOWANCE

Domestic travel: \$75/day. International travel: \$110/day. Alcohol is never a reimbursable expense under any circumstance.

SECTION 3: APPROVAL THRESHOLDS

Any single travel expense over \$500 requires manager approval before booking, not after. Expenses submitted more than 30 days after travel will not be reimbursed.

SECTION 4: EMERGENCY SUSPENSION

During an active cost-control trigger (see Emergency Cost Control Protocols, Section 4), all discretionary and non-client-facing travel is suspended company-wide until the CFO lifts the restriction in writing.
